We meet each Monday afternoon to practice our speaking and listening skills together. Each week two or three members present talks and receive evaluations from other members. Since our members can speak on anything at all, you never know what you will hear or learn!

Guests are welcome to observe a meeting or two in order to see how Toastmasters works and whether our club is a good fit. Guests often comment on our relaxed atmosphere, convenient location, and welcoming membership.

Asheville Blue Ridge Toastmasters Club meets at 12:15 on Monday afternoons. If you are coming as a visitor, please arrive by 12:10 so we can greet you and orient you to our meeting. Our location:

**Lenoir-Rhyne Center for Graduate Studies of Asheville  
Asheville Chamber of Commerce Building  
36 Montford Avenue, Asheville NC 28801**

*We are conveniently located just north of downtown Asheville in the same building as the Asheville Chamber of Commerce and Visitor Center. Parking is free and plentiful. We look forward to your visit!*
